How we can support you

Support in local communities

We have a strong presence in local communities in various areas across England. We offer tailored local services including outreach work, individual support, drop-in sessions, and parenting courses on specific issues like handling difficult behaviour or boosting children's confidence.

Visit our website at www.familylives.org.uk to find out what's on offer where you live.

Confidential helpline

Talk confidentially and for free* on any family-related issue on the phone, via online chat or by email.

Our helpline is answered by trained staff and volunteers who all have parenting experience. We can offer counselling-based support – ideal for complex family problems that need working out over time.

Please call us on **0808 800 2222** for emotional support, information, advice and guidance on any aspect of parenting and family life.
